# Dainty Basket Door Decor

*Lovely hues of lavender (or your favorite color) make this dainty project a perfect accent for the bedroom or bathroom.*

Design by Joan Green

## TAKE NOTE

**Skill Level:** Beginner

**Finished Size:** 7¼ inches W x 9 inches H x 1⅛ inches D

## YOU'LL NEED

- ⅔ sheet 7-count plastic canvas
- Coats & Clark Red Heart Classic worsted weight yarn Art. E267 as listed in color key
- #16 tapestry needle
- 1½-inch pale pink tassel
- ½-inch orchid ribbon rose with leaves
- 12 inches gold glitter stem
- 12 inches 20-gauge green cloth covered wire
- Pencil
- Potpourri
- Fabric glue

## INSTRUCTIONS

- 1** Cut plastic canvas according to graph.
- 2** Stitch basket front following graph. When background stitching is completed, work off-white French Knots. Basket back will remain unstitched so more fragrance will come through basket.
- 3** Using off-white, Overcast top edges of both front and back around curves from blue dot to blue dot. With lily pink, tack tassel to backside of front where indicated on graph, allowing tassel to hang freely.

**4** With off-white, Whipstitch wrong sides of front and back together along remaining top edges. With light plum, Whipstitch around remaining side and bottom edges, making sure not to catch tassel in Whipstitching.

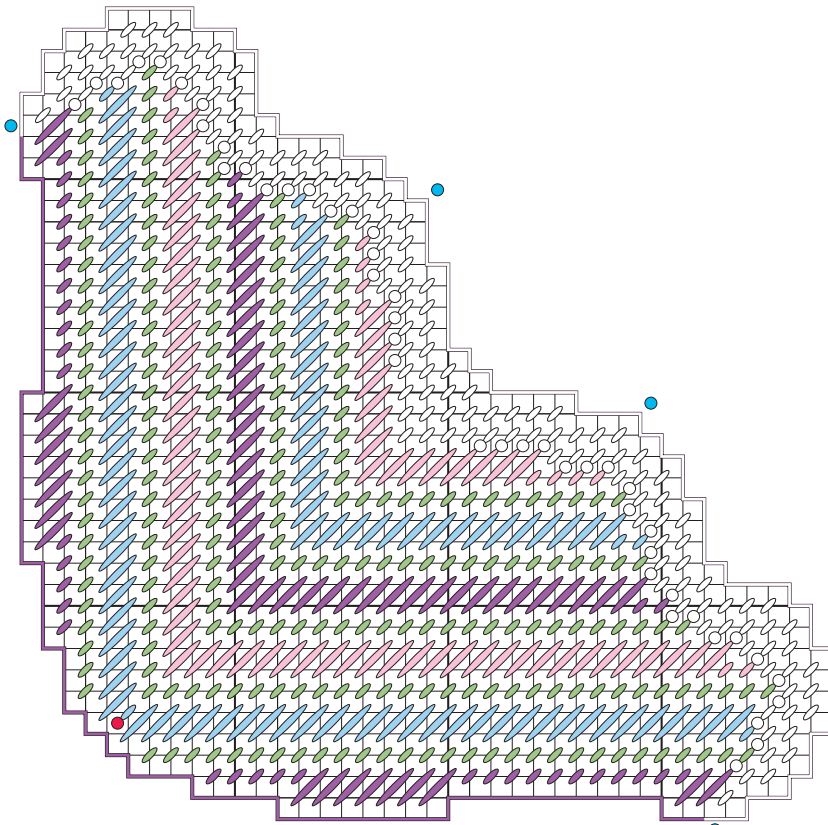

**5** Using photo as a guide through step 6, glue ribbon rose to center top front. To secure, add a dab of glue to

light plum yarn where tassel is attached.

**6** Twist glitter stem and green wire together. Then loosely wrap around pencil. Curve ends to fit under Whipstitched edges at center top; glue in place.

**7** Pack basket with potpourri. ■
